# **Program Features**

## **Live Online Camp**

With school closures and work-from-home policies in effect, it can be hard to adjust. Our E-CAMP program provides you with a great chance to ‘travel’ at home. It not only reduces the expenses of airfare and accommodation, but also makes your quarantine days more entertaining.

## **Authentically Captured Videos**

To bring the most authentic experience to your children, we sent native Chinese to authentically capture videos of many famous sights which will be used as teaching materials in order to make you feel as if you were truly there with us.

## **Interactive Bilingual Teaching**

The reason why we choose interactive bilingual teaching is not only to help students current students achieve fluency but also to make sure that students who have never learned Chinese can build a solid foundation.

## **Ancient & Modern China**

Our E-CAMP will show you both ancient China and modern China. You will learn about Chinese history (e.g. Qin Dynasty and Terracotta Warriors), Chinese culture (e.g. Chinese calligraphy and Kungfu), Chinese daily life (e.g. Wechat payment and transportations), Chinese cuisine (e.g. Chinese hot pot and dumplings), etc.

## **Coordinator Service**

We provide professional coordinators, who are very experienced and with overseas working background, during the whole time to make sure that everyone has a good experience.
